Jane,

Well looks like our last year will be a lonely one, no classes together. Oh well, we had some great times in Honors last year and I hope they will continue this year. and by the way I won't charge anything for my autograph. You know it isn't easy being me.

Love,  
Dave II

Hi, well we finally made it. I hope that you have a fun year, and that everything goes well for you. Luck in everything.

Jane,

Well we both made it to the last but by far the best year. I hope we both have a wonderful year. I intend too. You're a very neat person and can understand friend

I hope we keep in touch. We've shared quite a few talks about quite a few things. It's been great. Good luck to

you and keep on smiling.

Stick around it's gonna be a blast!

# Student Life: These Are The .....

Student life was very much the same as it has traditionally been. The year started as always, with new sophmores, different classes, old memories, and special friends. However, students also felt the effects of such new situations as teacher layoffs and reduced funding to public schools, which they had to adapt to.

Studies, extracurricular activities, jobs, and special projects took up a good share of time for most students. Fashions and trends also played important roles in their lives, as they rushed to buy 'parachute' pants, crop tops, running shoes, pearl necklaces, and to see movies like "Ghost Busters" and "2010".

Stan Rheingans and T Tim O'Neil, "What do you think? Pretty good, huh?"

Jim Barry and Bill DeTellem-two rabbits sticking together.

Peer group-How well do you know your neighbor?

Jan Penningroth-Can she get it together or will she short circuit the building?

Becky Baker uses Mr. Mundt's office to catch up on her sleep.

Sue McDonnell scrutinizes the opposition at the game.

Student life also included new-responsibilities as high schoolers, growth as individuals, and perhaps a slightly apprehensive feeling of fear for those who looked to their lives beyond high school. But for most, the year meant a time for friendship, school spirit, good times, and a certain feeling of pride brought on just by being a part of the school.

# Cage The Cougars!!

Cheerleaders, Kelly Moehr, Mary Macumber, and Brenda Poell show some school spirit smiles.

As "Declaw the Cougars" rang through the hall, homecoming week 1984 began. Our first chance to show some school spirit arrived on Wednesday as most students and faculty participated in "Garbage Bag Day"

On Thursday the old and ugly clothes came out of the closet as "Nerd Day" arrived. It was also a time of scurrying to get the class floats finished.

As Friday morning dawned the Student Council and Coaching staff were seen in the kitchen. Breakfast was served for the early birds at Central.

The week's festivities closed with the crowning of a new king and queen, Brian Bowman and Julie Parmann, with the game and dance following.

The homecoming court included, Holly Pierce, Patti Wendel, Julie Paarmann, Shirley Whitmer, Shelly Baxter, Mindy Taylor, Rick Schrader, Steve Hughes, Dennis Campbell, and Matt McGuire.

## SPORTS '84 - 85

There are two sides to everything. In sports there are winning and losing. No one can win everything, but everyone sure tries their hardest in every sport we have.

# Varsity Football

Even though it was a losing season, Coach Dwight Spangler's team stayed together.

The highlight of the season was the Keokuk game. Brian Bowman remembers the highlight "When I scored 3 touchdowns."

Two other Seniors Dan Feddersen and Dan Horras remember it as "It was fun on the bus ride and not having to pay for a car," "Eating out and WINNING!"

Team members will also remember the Pleasant Valley game as the hardest loss to accept. The ball was on the 2 yard line and then it was fumbled with the final score coming up short one touchdown from winning. Coach Spangler summed it up "we didn't play well," but he also added "although we had a losing season, the team stayed together."

The Salter 1984 Varsity football team did play well in their losing season, but the final scores do not show how close six of the losses were. These six games were lost by one touchdown or less. The Sabers finished with an overall record of 2-7. The two wins were against Keokuk and Northeast.

## Vies for Victory

Sharon Porth prepares for the volley

The varsity squad was young with only two returning letterwinners, Michelle Burke and Kay Smith. The team had not been playing together for a long time and it was UP to Coach Pam Duncan to put them in the right combinations

The season closed on October 16 losing to Bettendorf in the sectionals. Michelle Burke was voted the most valuable player, Kay Smith was voted the best offensive player and Marli Fuller was voted the most improved by the team members. The remaining senior on the team was Sheila Kagemann. Two players were chosen for All Conference: Michelle Burke, First Team and Kay Smith, Honorable Mention

# Sophomore Girls Gain Experience

The Sophomore Volleyball team did not have a very productive season as far as the won-lost record goes, but the girls worked really hard at overcoming their own individual weaknesses.

It was a new experience for several girls this year and as a team they lacked the basic volleyball knowledge needed to win many games. They performed very well on several occasions, winning some close games. They ended the season with a Conference record of Games:3-7, Matches:1-3, and an Overall Record: Games: 16-25 and Matches: 6-11

Team leaders were Julie Toby, serving 94%; Holly Pierce, serve reception 61%; Linda Geise, setting, 90%; Lori Palzkill, spiking, 89%; and Anne Bloom. Completed blocks, 5%. The team was coached by Coach Weller and managed by Julie Block and Missy Olson.

# Running Forever: Cross Country

Matt McGuire sweats it out!

\*Editor's Note: the following was written by a member of the cross country team.\*

Cross Country was a lot of fun this year. We all worked real hard to get to State this year, girls and boys both! Even though only two of us got to go, the rest of the team was behind us all the way. Without Dan Trimble's humor and Matt McGuire's seriousness, it would have been a dull season. McGuire was the support of the team, being the one to look up to. State was a fun experience too. The boys team placed eighth out of sixteen teams which wasn't bad (we had an off week). The girls surprised everybody, taking second place! All in all it was a great year with lots of help from Coach Hetrick.

# Varsity Boys Basketball

The varsity boys basketball team had a very productive season this year winning fifteen games and losing six. The team finished third in the conference with a 5-3 record. The team also won the Iowa City Holiday Tournament.

The team won its first game at Districts by defeating Northeast in overtime. In the finals, they were defeated by Camanche by three points.

Two other losses during the year were to Camanche by three and two points respectively. Camanche ended up second in the state.

Brian Bowman led Central's scoring this year with 272 points, and Dan Feddersen led the rebounds with 112. Dan Feddersen, Brian Bowman and Al Thomsen were named to the first team all-conference. Dennis Bowman was named to the second team. Brian Bowman also received a special mention All State, and Dan Feddersen was named to the honorary Eastern Iowa team and the Academic All-State team.

# VARSITY GIRLS BASKETBALL

## STRIVING FOR THE BEST!!!!!!!!!!!!!!!!!!!!

The year had some high points — the team beat Maquoketa for the first time in its history, and they collected some hard-earned victories against Cascade and Northeast.

Kim Alkire was selected to the Big Bend Conference Second team and Michelle Holst received Honorable Mention. Letter Winners included seniors Kim Alkire, Michelle Burke, Julie Dittmer, Michelle Holst, and Kay Smith, and sophomores Cynthia Miller, Holly Pierce, and Angie Trimble. The team named Angie Trimble as Best Offensive Player, Kim Alkire as Best Defensive Player, Michelle Holst as Most Improved Player, and Holly Pierce as Best Hustler.

As Coach Christie looked back on the 1984-85 season, he described it with mixed feelings: disappointment because of the final record and satisfaction with the number of close games and the team's hustle.

The girls ended their season with a 3-5 conference record and 7-13 overall record.

The Silvers set five school records and tied one. Team records included best defensive average per game, 44.1; and fewest points allowed in one game, 17. Individual records set included Michelle Burke, most steals in one season by a forward, 39; Kim Alkire, most steals in a season by a guard, 61; Michelle Holst, most rebounds in a season by a guard, 191, and tied for most rebounds in a game by a guard, 16.

The sophomore boys basketball team won the Big Bend Conference Title with a six-two conference record. The overall record was thirteen-four.

The teams' leading scorer was Brig Tubbs with 266 total points. Brig Tubbs was the leading rebounder with 190.

Mark Smith had 60 assists and Tim Ostert had 32 recoveries.

# SOPHOMORE GIRLS BASKETBALL

## "TO BOUNCE OR NOT TO BOUNCE"

This year the sophomore girls basketball team switched from playing 6 on 6 to 5 on 5. The switch wasn't as bad as the girls thought it would be. The practices weren't any harder and they found that they really enjoyed playing it. In learning to play the different positions, the only major problem was for the guards to learn how to shoot.

The 1984-85 sophomore girls ended their season with a record of 7-10.

A couple of highlights of the season were beating Pleasant Valley after being down 10 points in the final 10 minutes and beating Maquoketa by one point with Cathy Rheingans making a 15 footer with 5 seconds left.

The girls put forth a lot of effort this year and were all satisfied with the way the year went.

Awards this year were:

Best Offensive Player: Lori Palzkill

Best Defensive Player: Peggy Baker

Most Improved Player: Heather Deke

Best Free-throw Shooter: Angie Bauer

Best Hustler and Coaches Appreciation

Award: Cathy Rheingans, Deb Feddersen, and Shannan Peterson.

# Wrestling

Although hampered by many injuries, the Central Wrestling squad accomplished most of its goals through the season. The Sabers compiled a 2-7-0 dual meet record, but that does not display the impressive individual achievements. Central had at least one champion and one other medalist at each tournament entered.

Co-captains Dennis Campbell and Steve Hughes led the varsity team with three championships each. Dennis had wins at the North Scott Invitational, Mount Vernon Invitational and the Big Bend Conference. Steve claimed titles at the Spartan Invitational, the Saber Invitational and the Big Bend Conference.

Joe Evans collected the top gold at the conference tournament also. Other varsity wrestlers who placed second or third at tournaments were: Dan Henningsen with two silvers, Tim Ocker with two bronzes, Jay Schmidt, Trent Fey and Jim Rivard, all collecting a third place finish.

In post-season tournaments, Central had three wrestlers, Dan Henningsen, 126 pounds, Steve Hughes, 132 pounds; and Jay Schmidt, 185 pounds, qualify for Districts by placing second at the sectional tournament. Joe Evans also qualified at super heavyweight.

At districts, Jay Schmidt and Joe Evans placed fourth, while Dan Henningsen narrowly missed a trip to state with a 3-4 OT loss. Steve Hughes qualified for State by placing second in his weight class.

The JV team had a successful 7-2 dual meet record. Three JV leaders were Todd Azinger, Brian Gardner and Brian Freund.

The Saber Invitational Wrestling Tournament was held December 22 in the high school gym. The other teams participating were: Camanche, Maquoketa, North Scott, Dubuque Senior, Western Dubuque, Bellvue, and Lisbon. Of this field DeWitt finished 5th overall.

Senior Becky Haack was crowned Invitational Queen. Her court included Becky Baker and Kim Spangler. They were escorted by Dennis Campbell, Joe Evans, Dan Henningsen, and Steve Hughes.

The invitational individual winners were: Steve Hughes 1st, Joe Evans and Dan Henningsen 2nd, Tim Ocker 3rd, and Dennis Campbell and Lee Swanson 4th.

The Boys track team had a prosperous season, led by a strong running attack. Tim O'Neil, Brian Bowman, Matt McGuire, Todd Reeg, Mike Frohwein, Steve Grau, Dean King, Jeff Schmidt, and Bob Burmeister lead the running field with Jeff Palzkill and Chad Rheigans leading the shot put for the Sabers.

The team finished second in the Big Bend Conference meet. There were only two first place winners, Brian Bowman in the long jump and Tim O'Neil in the 200 meter dash. The team also finished seventh at the Gateway Classic and the Marion Relays.

Those qualifying for state were: Todd Reeg, Keith Green, Al Grau, and Matt McGuire in the 3200 meter relay. Brian Bowman, Mike Frohwein, Tim O'Neil, and Matt McGuire in the 1600 meter relay. Bob Burmeister qualified for the 400 meter hurdles.

# Sophomore Boys Track

The soph boys had a very good season. They won the Big Bend Conference title, Morrison Relays, and the Tipton Tiger Relays.

At the Big Bend Conference, nine first places were achieved by the Sabers. In individuals winning first place were: Ty Stevens in the 110-meter high hurdles and 400-meter low hurdles, Tim Ocker in the shot, Chris Foote in the discus, Dan Barr in the high jump, Travis Scheckel in the 3,200 run; and Mike Frey in the 800 run.

Relays that won were the 400 relay composed of John Sterbenz, Jim Grell, Dave Posten, and Darren Witt and the 1,600 relay composed of Jeff Griep, Ty Stevens, Jim Grell, and Darren Witt.

Seven senior girls returned to the track team this year to lead the underclassmen throughout the season. Nice weather was enjoyed throughout the season.

Captains were Kim Alkire and Jan Penningroth.

The team placed second at the Indian relays and tied for fourth in the Big Bend Conference meet.

At the 9-10 girls relays held at Central, the team finished fourth. The only 1st place winner went to Anne Bloom in the 400 meter dash. Karen Scheckel was the only record breaker. She beat times in the 1500 meter with a 5:05 and in the 3,000 meter dash with 11:00.5.

The letterwinners were: Kim Alkire, Anne Bloom, Michelle Burke, Meaghan Crowley, Michelle DeMoss, Julie Dittmer, Lisa Griep, Jean Hughes, Linda Meyer, Cynthia Miller, Wendy Moore, Holly Pierce, Karen Scheckel, Melanie Selby, Angie Trimble, and Karla Vanderburg.

# Round Out The Year.

Sliding into base is Mark Christofferson.

The 1983-84 baseball year was the most successful year ever. The senior-dominated line-up guided the Sabers to a record-setting 19 wins with 13 losses. Coach Weller was very pleased with the successful season that all the athletes turned in. He said they were a good bunch of hard-working young men who possessed an excellent understanding of baseball knowledge.

Highlights of the season were: Winning the Calamus Tournament with M.V.P. -Pat McAleer; beating second ranked (3A) Maquoketa 6-4; and a 28-7 win over Northeast.

Central finished fourth in the Big Bend Conference with a 7-5 record and put 7 players on the All-Conference Team:

1st Team catcher-Scott Grau  
1st Team 1st Baseman-Troy Olson

# Boys Golf

The 1985 boys golf team was aided through the season by early warm weather. There were forty-eight team members on the team. However only the top six members competed in the meets. They were Senior Steve Ash, Juniors Chris Deke and Brian Barnes, and Sophomores: Dave Rueter, Kevin Kleinsmith, and Jeff Scott. The team finished their winning season with a win at the Big Bend Conference meet. Dave Rueter received medalist honors. The season record ended as eleven and one.

The girl's golf team finishes its successful season in May, taking second place in the Big Bend Conference meet and placing well throughout the season.

Practice began in March at Springbrook Country Club, and senior team member Kay Smith expressed jokingly, "Neither rain, nor snow, nor sleet, nor hail will stop the Central girls' golf team from practicing."

The team was led by freshmen varsity starters, Heather Deke, Jessica Stutzel, and Laura Hetrick, and Juniors Mary Macumber, Kristi Hofer, and Krista Billhorn. Other team members included Seniors: Kris Rueter and Kay Smith, and Juniors: Lori Burke, Lisa Ahrens, and Patty Wendel, and Sophomore: Sue Canaday.

Coach Pat Meade expressed his satisfaction over the team's performance, and added special praise for freshman Heather Deke. She was medalist at almost every meet that she participated in this year.

# Cheerleaders!

This year the girls have been working hard. The Varsity Football squad put together a fine pon-pon routine and the Varsity Girls Basketball squad has also put together a routine. The cheerleaders practiced almost every night after school.

The Cheerleaders would like to express their gratitude toward Holly for all of her help. She has given us support, fine criticism, knowledge, and friendship.

# ALL-AROUND CHAMP

Mindy Taylor proved something to herself and to the state of Iowa on Saturday, March 16, 1985.

Mindy capped an outstanding gymnastics career at Central by winning the all-around title at the 1985 Iowa High School State Gymnastics Championship at Ankeny.

On the way to capturing the overall gold medal, the Saber senior dethroned the 1984 titlist and runner-up by winning golds on the uneven parallel bars and in vaulting, taking second in the floor exercise, and placing fourth on the balance beam. Mindy had no best-ever tallies in the individual events but scored high in each to gain the all-around title.

This was Mindy's fourth trip to the Iowa High School State Gymnastics Championship and has done increasingly well each time.

	vault	bars	floor	beam
1982	9.15(3rd)	8.30		
1983	8.70	8.50	8.00	34.00

# ENGLISH, A FOREIGN LANGUAGE????

The English Department is an extremely well-run program which included every student in the school. Sophomores take English 10, taught by Mrs. Doom and Mrs. Prichard. The English 10 curriculum covers grammar, literature, individualized reading and science fiction.

Junior students take Language Arts and American Literature, which are taught by Mr. Williams and Mrs. Doom, or Personal English, taught by Mr. Williams. Mr. Raikes is the instructor for Honors English, a program for Juniors and Seniors which offers in depth instruction on grammar, writing styles and philosophy in literature.

Also included in the English curriculum are Mr. Hetrick's classes in debate, interpersonal communication, media now, and acting and stagecraft, Mr. Williams' courses in expository writing, and Mrs. Prichard's creative writing class.

Incorporated into the English Department is the drama program, led by Mrs. Doom. Last but not least is Mrs. Prichard's newly-established newsletter.

# Calculating The Year

Math classes at Central are taught by Mr. Beck, Mr. Borland, Mr. Utter, and Mr. Anderson. Courses offered included Essential Math, Algebra I and II, Geometry and Introduction to College Math.

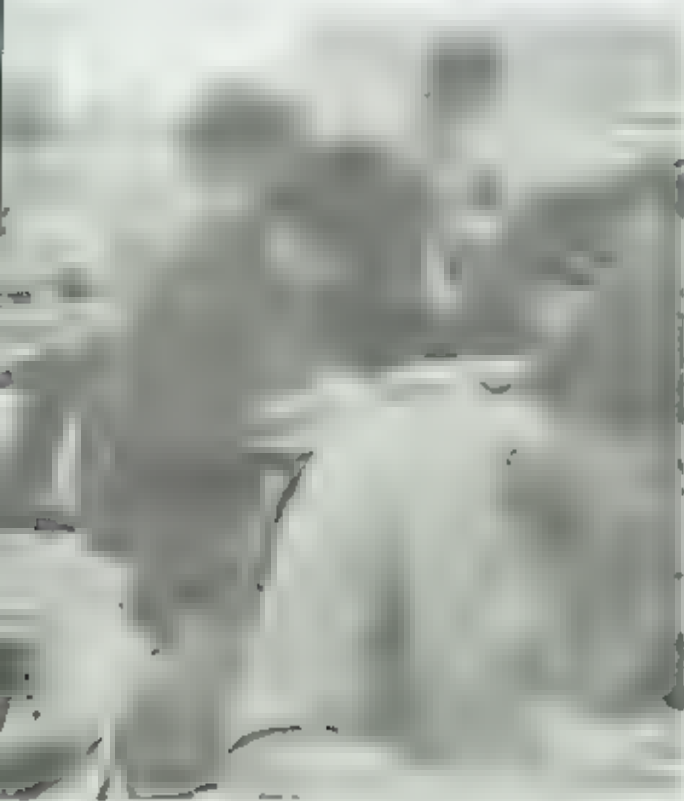

The Pythagorean theorem, the transitive and reflexive properties of multiplication, and the angle-side-angle postulates, are just a few of the fond memories the Geometry students have. In Algebra II, the quadratic formula, logarithms and the graphing of parabolas and ellipses gave students nightmares.

Math classes were challenging to say the least. Conversations after each test conveyed the thought of hoping to get at least one problem right.

Chemistry students will never forget their goggles and aprons they had to wear during labs, the 25 cent fines for leaving their key in the drawer, the fine for leaving their aprons out, and of course who could forget all those multiple guess quizzes!

One thing that none of the science students will ever forget is the enormous bill they ran up for saying /17\*.\*!!

The Science Courses offered at Central are Biology, Chemistry, Physiology, Bio-Chemistry, and Physics. The classes are taught by Mr. Brouwer, Mr. Fleagle, and Mr. Beck. Biology is a required subject.

Biology students will never forget all the fun they had during the dissection unit, nor the extra time they spent before, during, and after school doing their labwork.

The special education program at Central is considered one of the finest in the state. The program combines individualized education with student placement in work study programs.

The department's small classes allow for a great deal of one-on-one attention for the students and provide for independent study opportunities.

The work-study program places students in part time jobs in various communities in the county. Many of these jobs expand into full-time employment opportunities for the participants.

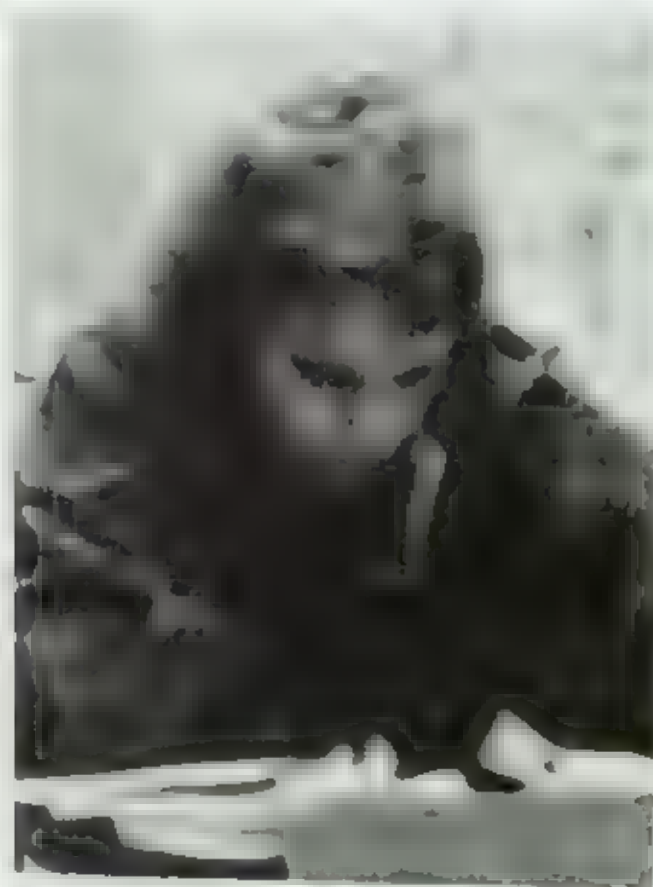

The department also includes recreational, social, and community service activities for the students, including an annual ski trip and a community leaf-raking project.

The special ed. program serves students from across Clinton County, and is directed by Mrs. Mueller, Mr. Prichard, and Mr. Cavanaugh. A new learning disabilities program was also instated in the program this year, and is taught by Mr. Padgett.

# Voc-Ag

## Learning About Farming

The vocational agriculture department spent a busy year learning about and keeping up with the turbulent industry of agriculture. Nationwide Vo-Ag enrollment was down in the year, but that was not evident at Central, where student numbers in Ag hit an all-time high.

The sophomore class was expanded into two class periods to provide for more individual instruction. Those classes spent the early weeks of class time working in the shop or individual projects, then went into the classroom studies of marketing, beef production, soils, and farm mechanics.

The junior and senior production Ag classes took advantage of newly purchased textbooks by conducting an in-depth study on crop production. This involved using the department's new crops lab facilities through fertilizer, germination, and photosynthesis tests. This was followed by units in marketing, farm management, Ag electrification, and shop work.

Along with Vo-Ag instructor Mr. Smicker, the students were fortunate to have two student teachers from Iowa State University, Mr. Stewart and Mr. Planschia, who brought new ideas and activities to the department.

# Home Ec: A Variety of Activities

The Home Economics department suffered the dreaded teacher lay-offs this year. The department went from just two teachers to only one. The courses offered were Child Development, Human Relations, Independent Living, Foods I and Clothing.

Independent Living is offered to Seniors in order to give them a short course on how to live in the "real world." In foods classes, students learn about nutrition, the four basic food groups as well as how to prepare numerous food dishes. Clothing students learn the basics of sewing. Child Development teaches the problems of raising a child from birth to 12 years of age. The Human Relations classes deal with people's relationships with each other.

There are three Spanish courses offered, each taught by Mrs. Raikes. They are Spanish I, II and III. Spanish III is taught on an individualized basis.

Students have a lot of fun in Spanish. Spanish Bingo is played and there is opportunity to earn extra credit by taking the vocabulary test "English-to-Spanish" instead of "Spanish-to-English".

In Spanish, students are taught basic vocabulary, grammatical structure and oral skills. The text for Spanish I is "Nuestros Amigos" (Our Friends), and the text for Spanish II is "El Mundo de La Juventud" (The World of the Young). There is no standard text for Spanish III.

# Producing Projects

The Art Department offers a variety of art classes. Through art the students become more visually aware, learn to use their imaginations, and learn the skills involved in productic work of various kinds. These are displayed in various places in the school, at the hospital and at the fine arts festival in May.

An examination of various art forms of the past and present leads to an understanding of the contributions of artists. A trip to the Art Institute in Chicago allows them to view many forms of original art.

Through film and visiting artists, the students learn about careers in Art and related fields, the future they offer, and the preparation necessary to enter them.

Mrs. Malooley is the instructor for all of the Art classes. The courses offered include: Art Exploration, Lettering and Sign, Painting, Ceramics, Sculpture, and Drawing and Printing.

# Industrial Arts Producing Projects

There are two instructors in the Industrial Arts Department. They are Mr. Anderson and Mr. Hlubek. Mr. Anderson teaches Woodworking I and II while Mr. Hlubek teaches metals and auto-mechanics.

In woodworking I, small projects are built and basic woodworking skills are learned. In woodworking II, more advanced projects are built. Usually only one or two projects are completed per year.

# BUSINESS AS USUAL

The Business department has added two new Apple II computers and an additional printer. The department has also nine new Canon Electronic typewriters. The department will be going to all Electronic in the next year. This new equipment is being well used daily by such classes as Automated Accounting for the Micro-Computer and Office Practice. # A LITTLE HELP

Seniors often find themselves in the guidance office looking at the career materials. Mr. Mundt does his best to advise seniors on job and college choices, and makes sure all scholarship applications, college applications, and transcripts get sent to the right place at the right time. Mr. Mundt and Mrs. Raikes also counsel students on any problems they may be having. A lot of people find the guidance office a very useful place.

# Physical Education: No Pain, No Gain!!

Although it is sometimes difficult to be excited about a class that meets only twice a week, gym class is one that still holds many students' attention. Breaking the monotony of sitting in chairs all day, instructors Fletcher and Duncan have continually presented the student body with interesting and creative activities to get them in shape. Such activities include: aerobic dancing, weight-lifting, bowling, frisbee football, and of course, the five main sport areas. This year, there was even some experimentation on the part of Coach Fletcher as he extended the weight-lifting program over Christmas vacation and compared the results to the other years with the aid of the school's computer. Of course, the end result is a class that students can profit from as well as enjoy.

# Arsenic and Old Lace

The Central Community High School drama department presented its spring play "Arsenic and Old Lace" on Friday and Saturday evenings, March 15 and 16.

The three-act play by Joseph Kesselring is set in south Brooklyn in 1941 and revolves around the lives of the elderly Brewster sisters, Abby (Deanne McCulloh) and Martha (Melissa Martin), who kill lonely old men to put them at peace and then bury them in their basement. When nephew Jonathon Brewster (Jon Price), a cold blooded murderer, arrives, chaos results as the bodies begin to pile up and

Jonathon threatens to reveal his aunts' antics, while nephew Mortimer (Steve Thiltgen) tries to protect the kindly old ladies.

Other members of the cast included Roy Tan as Reverend Harper, Monty Schekles as Teddy Brewster, Keith Wichert as Officer Brophy, Sue Green as Officer Klein, Jane Rodriguez as Elaine Harper, Linda Geise as Mr. Gibbs, Andy Wichert as Dr. Einstein, Kevin Kleinsmith as Officer O'Hara, Michelle Flann as Lieutenant Rooney and Randy Walker as Mr. Witherspoon. The play was directed by Mrs. Doorn and the set was designed by Mr. Hetrick.

# Issues Day

On March 27th students got an opportunity to experience many different occupations. Students heard about the National Guard, Prison Life, Computers, Law Enforcement, Drug Rehabilitation and Death and Dying. Also Planned Parenthood, Cosmetology, Fashion Merchandising, Abortion, College Life, Ambulance Techniques, Dancing, and Antique Cars were on the agenda. Students also heard former students discuss TV Reporting and Technology, College Athletic Management, and saw teachers prepare Exotic Foods and give a musical performance.

National Honor Society members for the year were: Dan Feddersen, President; Beth Gannon, Vice-President; Melissa Martin, Secretary; Maureen Barber, Treasurer; Jan Penningroth, Heidi Fatchett, Dennis Bowman, Dan Horras, Lisa McGarry, Jon Price, Dennis Campbell, and Angie Wulf.

# FFA - The Biggest and the Best

The FFA chapter added another extremely successful year to its long-standing tradition of excellence. The 1985 state FFA membership enrollment revealed that with 125 members, DeWitt Central was the largest chapter in the state of Iowa. Accordingly, the theme, "The Biggest and the Best," was adopted for the chapter's annual parent-member banquet in April.

Throughout the year, members were busy participating in various activities and traveling to special events. Journeys were made by members to Ames, Des Moines, Austin, Minnesota; Kansas City, Missouri; and Washington, D.C. for contests, conferences, and conventions.

Over fifty members exhibited livestock at the State Fair in August, and thirty-seven people attended the State Con-

vention in April. Twelve members submitted proficiency award applications and eleven of these advanced to earn rankings at the state level. Over twenty members participated in leadership contests, with Dennis Campbell, Janice Schlotfeldt, and Maureen Barber advancing to state competition. Tim Meier, Matt McGuire, Rob Cousins, Brian Bowman, David Schnack, and Janice Schlotfeldt also earned the coveted degree of Iowa Farmer.

The FFA chapter and its members can

be identified not only with success, but with a lot of hard work. The many activities sponsored within the chapter, including a swimming party, fruit sale campaign, dog show ring stewarding, bolt and tool sales campaigns, test plots, contest recitals, a monthly chapter newsletter, Greenhand night, and the annual banquet, involve a great deal of organization and teamwork. The group is completely self-supporting and its members are extremely proud of and loyal to the chapter.

# Do Wonders Never Cease?

This years fall play was an extraordinary first for the Central drama department. The drama, which was performed, was written by Jon Price, a senior.

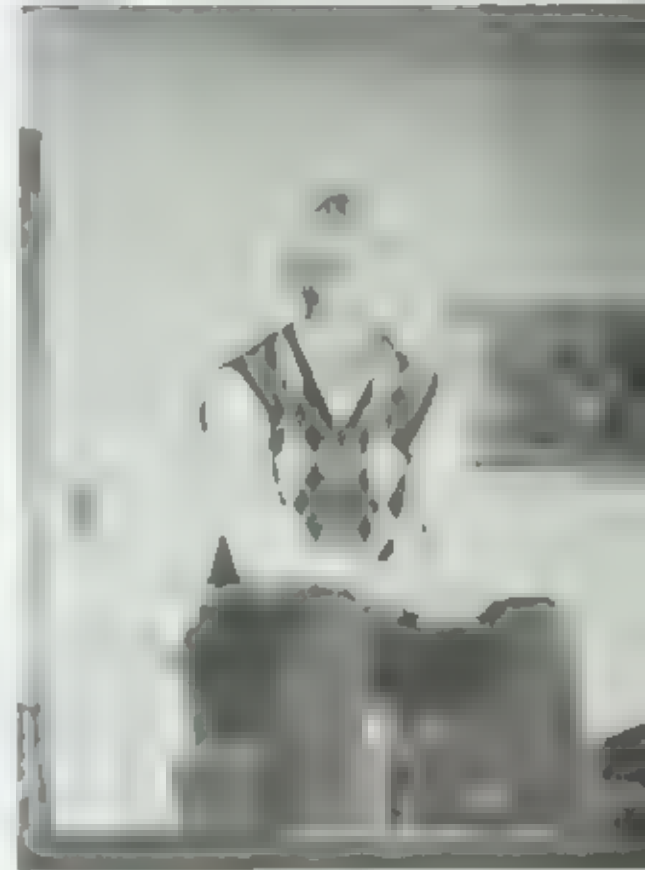

The play, "The Fifth Season's Moon", was set in the year 1984. The story line of this special production was one of science fiction and make-believe.

Two college students are thrown back in time to 1925, meeting with their great-grandparents as children. After being charged with murdering his great grandmother's boyfriend Dan, he begins to worry about finding a way to get back home. Finally the two are thrown back into 1984.

The cast of characters consisted of Jon Price, Steve Thiltgen, Alyn Thompson, Melissa Martin, Keith Wichert, DeAnne McCulloh, Jane Rodriguez, Roy Tan, and Jim Seward. The cast was directed by Mrs. Doom. It was a job well done!

Mr. Kastler and the student council once again had a very successful year. They worked very hard on Homecoming and their hard work paid off when they had a big turnout for the dance and the breakfast. There were many couples at the Snowball Dance, for which the girls choose their dates. On March 27, 'A Day of Exploring Interests and Ideas' was held and we thank the Student Council for a fun and interesting day. Rounding out the year's activities was the Juniors' job as they turned the gym into a "STAIRWAY TO HEAVEN" for prom.

Class officers for the year are as follows: SENIORS: President, Cindy Mackin, Vice-President, Dennis Campbell; Secretary, Kim Alkire; and Treasurer, Kay Smith. JUNIORS: President, Dawn Haring; Vice-President, Kathy Kilburg; Secretary, Kristi McDevitt; and Treasurer, Kelly Thomsen. Angie Green and Becky Burkamper laughing as usual

This year was a year of firsts for the annual staff. The department learned to put yearbook material on the computer and developed an organized system of classification. This year we also did our own pasting-up of layouts which increased the amount of time needed for completion. The price of the yearbook was \$18. Those purchased after the sales campaign were \$20.

Activities other than the yearbook itself included co-sponsoring the Halloween Costume Dance with the PHA and doing concessions for the major track meets of the season.

The DeWitt Central Future Homemakers of America led a very busy and successful year. In September, we held our regular monthly meeting and elected officers. They are as follows: President, Beth Gannon; Vice-President, Jayne Peters; Secretary, Deanne McCulloh; Treasurer, Jean Hughes; and Historian, Laurie Wulf. We were kept busy in the fall with babysitting at P.T.A. meetings and also at Parent-Teacher conferences. In October we made our annual homecoming float and also held the first annual Halloween costume dance with the Annual Staff. In December we made cookies and took them to the shut-ins and went caroling. In February we made and sold Valentine cupcakes. In March we stuffed ourselves at our annual progressive dinner. In April we had our regular meeting and then went to Schublins for a fashion outlook. In May we recognized our graduating seniors by going to the theatre and dinner afterwards.

Our advisors are Mr. Howard Ehrler, Mrs. Julie Doom and Mrs. Marilyn Galloway. Malin Andersson is our foreign exchange

student from Sweden.

Activities for the year included the annual candy sale and two extremely successful basketball games between the Senior Girls and the Faculty Women and the Faculty Men and the 1981 2A State Champion Team. We called these games "Reunited!"

The officers and members of the AFS would like to thank everyone for all their support to

make these games exciting and fun.

To end the year, the chapter made an excursion to Galena, Illinois, home of Mr. Howard Ehrler.

We are very excited and proud to have two students in the Foreign Exchange Students Program this summer. Jayne Peters will travel to Indonesia, and Jennifer Jacobsen will go to Spain.

# Library Club

Central Community High School Library Club is an organization for students interested in the workings of the school library. Students found many changes in the library this year-the reason for these changes is the new librarian-Mrs. Snively.

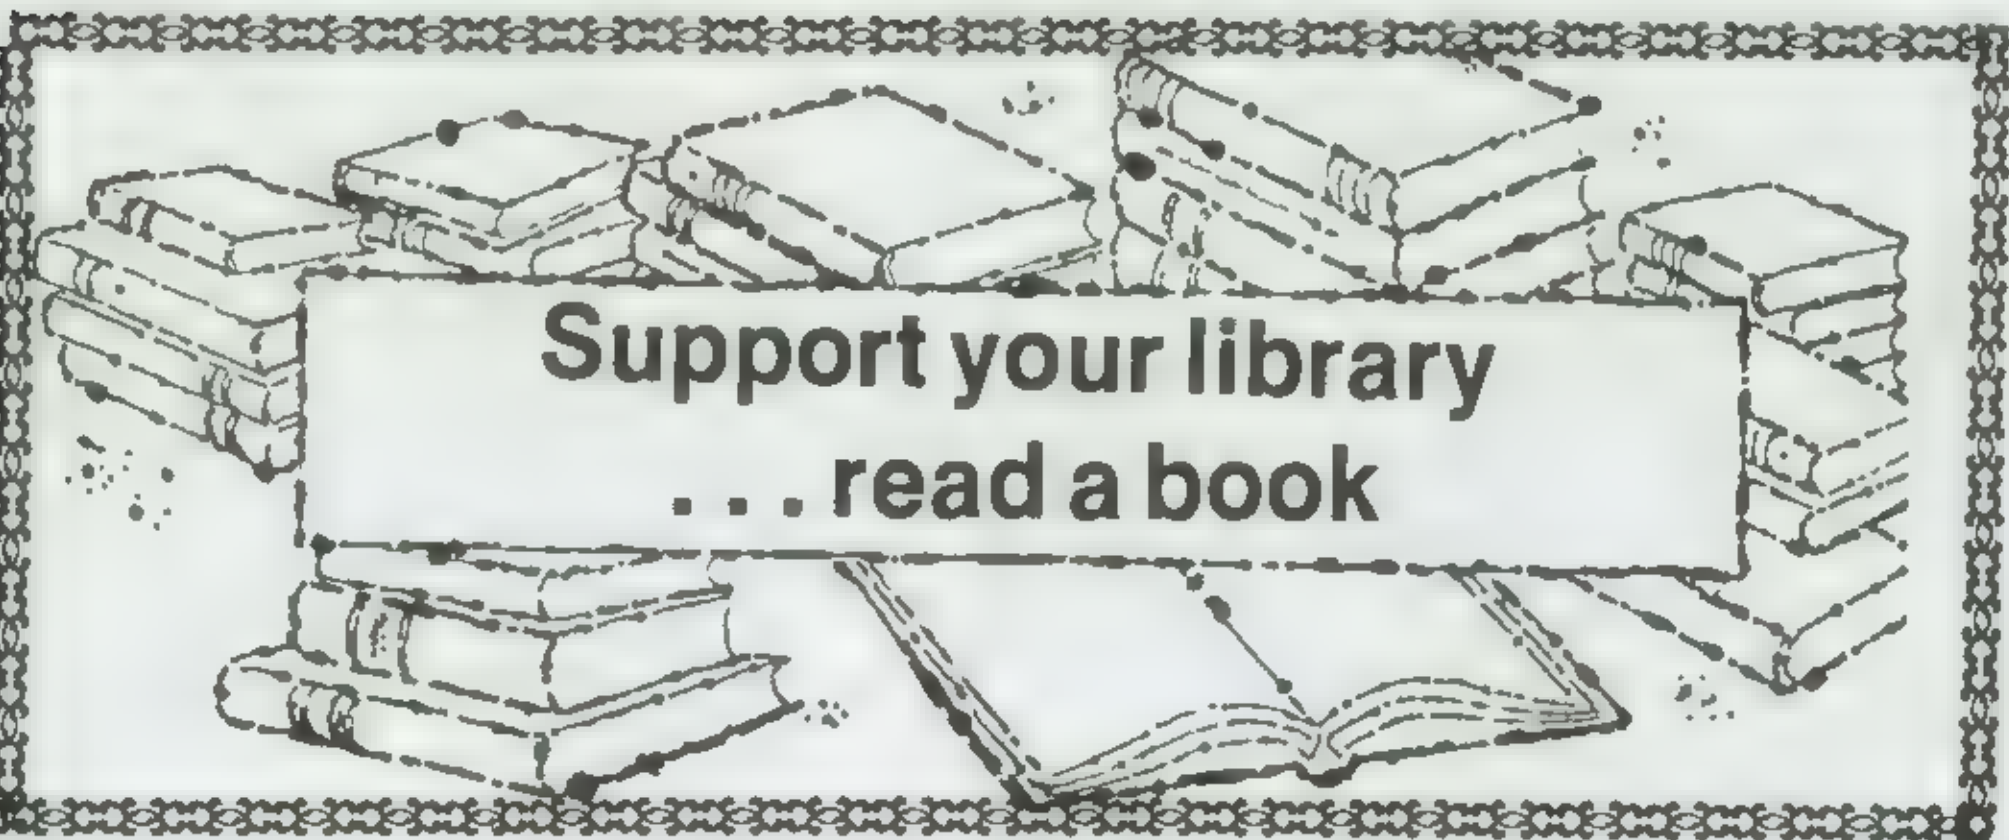

The Library Club met twice a month, the second and fourth Thursdays. Club activities for the year were bake sales, a Christmas party at Kimberly Smorgasboard, and a February video party. An excursion to the Hoover Library in West Branch, Iowa, and the University of Iowa Library in Iowa City, was taken in the spring.

Club officers were: Pam Quackenbush, President; Pam Burken, Vice-President; Kris Rueter, Secretary-Treasurer; Sue Sterbenz, Historian; and Angie Good, Activities Chairperson.

Members of the Library Club, front; Becky Burkemper, Pam Burken, Pam Quackenbush, Angie Good, back, Brenda Burkemper, Kathy Kane, Susan Sterbenz, Aimee Mickelson, Lisa Franzen, Kris Rueter, Angie Green, and Mrs. Snively, Librarian.

# **Sitting or Standing: Band is a Blast.**

This year's concert band, consisting of 95 players, is the largest in recent history. The band hosted the annual Tri School Concert and brought in a guest soloist, George Krem, from the University of Iowa for the winter concert. The band also performed at the Christmas Concert, the All-School Concert, Large Group Contest in Bettendorf, an outdoor "Concert in the Park", and at Commencement.

There were two jazz bands, each consisting of 33 players. These players were known as the "Swingin' Sabers." The jazz band performances included playing at the State Jazz Band Contest in Muscatine, the Tallcorn Jazz Festival at the University of Northern Iowa, the District Jazz Festival in Cedar Rapids, as well as performing at several banquets. The two bands played at each of the elementary school, at Westwing, and at the Variety Show.

Outstanding solo awards were given to Jon Price and Cory Brouwer.

# Houston: Here We Come

The 1984-85 Marching Band under the leadership of Angie Wulf and Beth Cannon performed at 4 home football games, performed at the Pleasant Valley Football game and at the indoor marching band concert.

At the indoor concert, the following awards were given: Mr. McMahon and Angie Wulf got the whistle happy award, Kim Queter for throwing her flag, Scott Jansen for wiping out the bass drum, Brenda Jaeger for flushing her glove at Pleasant Valley, Kathleen Gimble for Baying at the moon, and to Doug Lonsdale for breaking the stool to the trap set while on the football field.

The highlight of the season was at the last home game when the temperature felt like it was -10 degrees. IT WAS!!!

The Flag Corp spent long hours working with Mrs. McMahon to add class to the Marching Band football show. There were 32 girls which performed many routines. The song "Sweet Georgia Brown" will long be remembered by the Flag Corp.

The fund-raising activities for the Marching Band was a selling of cookies and the Flag Corp sold brush and comb sets.

On Sunday, May 27, 1984, the Central Community High School band departed the parking lot on a long-awaited trip. The trip to Houston was enjoyed by all. The trip consisted of stops at the Galleria Shopping Center, the Battleship Texas, and the Lyndon Johnson Space Center. The band also performed at the front gate of Astro World and on the outfield in the Astrodome. The weather was warm and the surroundings enjoyable. The band had many enlightening experiences which will never be forgotten.

The band practiced five days a week, never missing a single step!!

Beth Cannon and Angie Wulf led the band fearlessly.

The Central band played at the Astro World Amusement Park

The sixty-one members of the 1984-85 Mixed Choir was a very busy group. They performed at the final Big Bend Conference Festival, which we hosted, the Christmas, Pops, and Spring Concerts. They also competed in the Large Group Contests in May. The year was capped off with the final performance at Commencement.

Early in the year, a select group of eight vocalists attended the Augustana Festival and another group of eight tried out for All-State, for which Angie Wull was selected as an Alternate. Four members attended the Iowa Honors Choir for the first time. Several students took part in the Class 2A State Solo and ensemble contest in Muscatine. Nine division I (Superior) and eighteen division II (Excellent) ratings were brought home.

The entire chorus and all the groups were under the direction of Miss Eggleston. President of the chorus was Keith Green, Deanne McCulloh was Vice President, and Shelly Thiel served as Secretary.

The 1985 prom was held on Saturday, April 27. The theme for the prom was "Stairway to Heaven." The king and queen were Malin Andersson, our foreign exchange student from Sweden and Dennis Campbell

The main attraction in the gym was the stairway leading to heaven with angel hair surrounding it.

The music was provided by "Mirage", a band from Cedar Rapids. This years attire ranged from the shorter dresses to long formals, with the favorite colors being pink and red. The male species dressed their best in full suits and tuxedos.

Senior Maureen Barber delivering the commencement speech

Graduation—a term which expresses the completion of our early education—is one event that never escapes the school calendar. To some students, graduation is treated as one of the most important happenings of the year. These students will number the days, backward on notebook pages, and then, in a daily ritual eagerly cross out the days of May. To others, graduation is a symbol of man's primitive desire to have holidays and days of celebration. These students will obnoxiously walk down the halls, pinning classmates against locker doors, and shouting, "Who cares?"

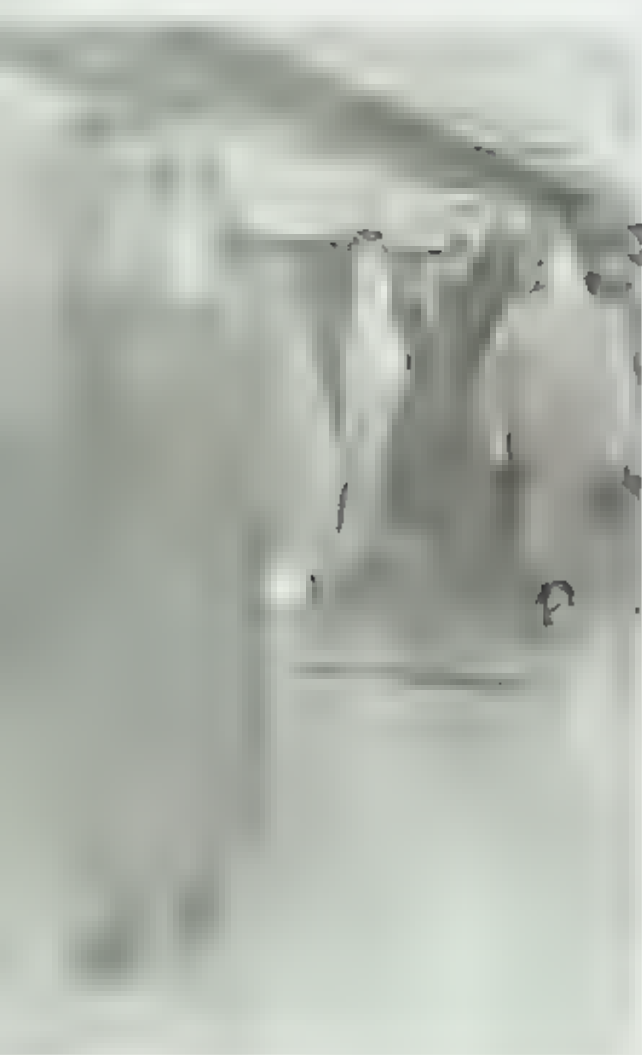

Other questions that might be considered besides the proverbial "Who cares?", is "Who's it for?" Is graduation for the students to realize that their high school years are ended, or is it for the parents to realize that their children are nearly adults? The answer to this brings about one more question that should be grouped with the others, and that is: "Who knows?" In general, it appears that most students and parents treat graduation not as a finality, but rather as a step between two different worlds. Most agree that, in a sense, graduation and administrative speeches have much in common: they are both items that should be given some notice, but not taken seriously.

Seniors do their thing!

The graduation exercises began at exactly 7:30 P.M. on May 29, 1985. The seniors were led by the junior class president, Dawn Haring, and the vice-president, Kathy Kilburg to the processional play by the concert band.

The commencement address was given by Maureen Barber. The mixed chorus sang two selections, "Out Here On My Own" and "Passages". The three valedictorians were Kay Smith, Carol Kiltner and Beth Gannon.

# ....At Last

The school year started coming to a close in April, as the seniors began counting down the school days left until May 24.

As the end approached and the weather became warmer, students found themselves gazing out the window more and more often. Most of them thought about the school year and how each year seemed to go by more quickly than the last. Seniors looked back upon their former school years with mixed emotions of nostalgia, longing, and sadness.

Major events and issues during the year were the national election, abortion, the poison gas tragedy in Bhopal, India, arms control, the new Soviet leader (Mikhail Gorbachev), and American policy in Central America (particularly Nicaragua).

In July, Walter Mondale won the Democratic presidential nomination by winning a very close race against Gary Hart and Jesse Jackson. The Democrats then made history by nominating the first woman of a major party as vice-presidential nominee. She was Geraldine Ferraro of New York.

On election day (November 4), Ronald Reagan won a historic landslide victory over Walter Mondale by garnering every state except Minnesota in the electoral college. The results of the school poll also showed Reagan as the big winner.

A major piece of good news during the year was the great increase in worldwide concern over the Ethiopian famine. As a reflection of this concern, a group of top American recording artists got together, called themselves "USA for Africa", and produced a masterpiece of social commentary called "We are the World". British performers also banded together and called themselves "Band Aid".

World events and major issues, failures and victories throughout the school year, and thoughts of the past and future all added up to make this a year of "Two Sides!"

Jane,  
How's it going!  
Well we had a great time in typing last year, and I hope your senior year is your best!  
Love + friends  
always  
DS.

Jane, we've had lots of fun... you got into friends! I hope about you brought happiness in my life. Stay sweet and stay friends.

Jane,  
Can you believe we finally made it to be seniors - It seems like yesterday we were still in 8th grade. Now times flies. Well you really great person and you deserve the best. Good luck in everything you attempt. I'm sure you won't have any problem succeeding! Keep in touch!

Jane,  
Well, we're only a couple of years. We got to be friends during biology and also the couple of years we had a lot of laughs in the musical also! May all your dreams + wishes come true in the future! Keep in touch.  
Friends always,  
Joyce
